

Virtual Simulation Training for General Practice in a Covid World

For All GP Trainees (quota reserved for Returning GP Trainees)

**Alternating the last Wednesday/Thursday of the month
(monthly sign up through Eventbrite - Feb to July 2021)
Training will be run via ZOOM**

Join us for an interactive live online simulation event relevant to all GP trainees. The sessions will also be of particular relevance to SRTT trainees. During the session you will engage in online simulation and receive both faculty and peer feedback in a safe and supported environment. You'll gain skills and experience in the following areas for real life as well as exams:

- High fidelity online simulation
- Leadership and management
- Remote working principles and use of digital tools
- Understanding the Covid context
- Assessing and managing risk across the curriculum
- Workload management and wellbeing
