

Regional Training Day in Point of Care Ultrasound - POCUS

For ED trainees wanting to improve their point of care ultrasound skills...

Wednesday
March 29th 2023

9-5.30pm

Choose either the core OR advanced level course as both courses run concurrently

Also 'Train the Trainers' course for POCUS department leads (1/2 day am)

Core level includes...

- AAA
- eFAST/FAFF
- ELS - Echo in life support
- Vascular access
- FICB
- Shock assessment
- DVT

Priority given to those who have not done a level 1 course before

Advanced level... (1/2 day pm)

- Hepatobiliary
- Renal
- Advanced ECHO
- Lung
- FICB

Book early – places limited

To book a place please email alicecook1@nhs.net for core or advanced level and c.arrigo@nhs.net for Train the Trainers.

To help you get the most out of the day for the CORE level there will be course material sent to you beforehand which you are advised to study.
