Specialty	Gastroenterology - General (Internal) Medicine
Grade	F1
Trust	East Sussex Healthcare NHS Trust
Site name and address (include trust name if different to employing trust)	Eastbourne District General Hospital Kings Drive, Eastbourne, East Sussex BN21 2UD
Type of work to expect and learning opportunities	<p>Grand Round: Mondays (1.00 - 2.00 pm) at EDGH - lunch at 12.30 pm</p> <p>Foundation Programme Core Topics: FY1 Tuesdays (1.00 - 2.00 pm) at EDGH (workshop once per month 2.00 - 5.00 pm)</p> <p>Other: Leadership Programme - 4 - 5 half-day courses over the year</p> <p>FY1 doctors should have two hours per week of non-clinical professional self-development time. This will include time for activities such as working on eportfolio, meeting with supervisors and developing skills in teaching and QI/audit</p>
Main duties and further information about the placement	<p>The F1 doctor is responsible with other staff for the ward care of patients and the maintenance of the patient's medical record. They will have opportunity to work with the consultants in outpatients' clinics on an ad hoc basis depending on how busy the ward is. They are expected to attend the structured teaching programmes provided by the department. The doctor will be responsible for such other specific clinical duties as allocated by consultants including performing other duties in occasional emergencies and unforeseen circumstances.</p> <p>The only F1 on team. General medical tasks, most patients are a mix of general medicine and gastro; GI bleeds and decompensated liver disease. Ascitic drains and taps, clinic and endoscopy attendance is encouraged but opportunities depend on workload. High number of elective attenders for ERCP and endoscopy. Usually busy in terms of patient numbers (21 patients generally). You work for four consultants, who do one month on the wards in rotation. We have a larger team of juniors, with F1, F2, two CT grade doctors and one registrar.</p> <p>The overall educational objectives of the F1 year are:</p> <p>Take a history and examine a patient Identify and synthesise problems</p>

	<p>Prescribe safely Keep an accurate and relevant medical record Manage time and clinical priorities effectively Communicate effectively with patients, relative and colleagues Use evidence, guidelines and audit to benefit patient care Act in a professional manner at all times Cope with ethical and legal issues which occur during the management of patients with general medical problems Educate patients effectively Become life-long learners and teachers</p>

Specialty	Palliative Care
Grade	F1
Trust	East Sussex Healthcare NHS Trust
Site name and address (include trust name if different to employing trust)	St Wilfrid's Hospice 1 Broadwater Way, Eastbourne
Type of work to expect and learning opportunities	<p>Grand Round: Mondays (1.00 - 2.00 pm) at EDGH - lunch at 12.30 pm</p> <p>Tuesdays (1.00 - 2.00 pm) at Conquest and via MS Teams - lunch at 12.30 pm</p> <p>Foundation Programme Core Topics: FY1 Tuesdays (1.00 - 2.00 pm) at EDGH (workshop once per month 2.00 - 5.00 pm)</p> <p>Other: Leadership Programme - 4 - 5 half-day courses over the year</p> <p>The Hospice provides specific tutorial programme in house which is shared with St Michael's Hospice and delivered weekly on Microsoft Teams</p> <p>There is a joint doctors meeting between four Hospices in East Sussex quarterly which the FY1 doctor may get an opportunity to attend. Other multi-professional training events throughout year.</p> <p>10 Schwartz rounds in Hospice which F1 doctors are actively encouraged to attend during their placement (attendance certificate for portfolio available).</p>
Main duties and further information about the placement	<p>Twice weekly consultant led multi-disciplinary ward round and supervision available at all times in general ward duties (admitting patients, assessing symptoms and updating management plans and actively being involved in communication with patients, families and professionals).</p> <p>The FY1 doctor is responsible with other members of clinical staff for the in-patient care of patients and communication of care including the maintenance of the patient's electronic record and communicating with external professionals where indicated.</p> <p>There will be opportunity to work with the consultants or specialty doctors in outpatients' clinics or in patient's homes depending on individual development needs. There are many learning opportunities in this post both informally and formally and there is an expectation that the doctor</p>

attends all FY1 teaching at Eastbourne DGH as cover is arranged. The Hospice as a voluntary organisation uses volunteers including a young clinical volunteer programme aimed at pre university young people looking for experience, the FY1 can take an active role in the support and mentoring of this group if of interest to the FY1.

The doctor will be responsible for such other specific clinical duties as allocated by consultants including performing other duties in occasional emergencies and unforeseen circumstances.

Specific learning opportunities include: Managing symptoms e.g. nausea, vomiting, pain, breathlessness and anxiety. Assessing and managing non-physical aspects of illness – psycho-social and spiritual. Improved communication skills e.g. breaking bad news. Working within multi-professional team. Opportunities to develop skills in advance care planning with patients.

The overall educational objectives of the FY1 year are:

Take a history and examine a patient

Identify and synthesise problems

Prescribe safely

Keep an accurate and relevant medical record

Manage time and clinical priorities effectively

Communicate effectively with patients, relative and colleagues

Use evidence, guidelines and audit to benefit patient care

Act in a professional manner at all times

Cope with ethical and legal issues which occur during the management of patients with general medical problems

Educate patients effectively

Become life-long learners and teachers

The clinical supervisors are happy to explore specific objectives based on individual doctor's needs. A total of 2 hours per week personal development time will be incorporated into the doctor's timetable following discussion with each individual. There may be flexibility on when this can be taken (e.g. 2hrs each week, or 4hrs each fortnight) depending on the individual needs of the doctor.

For more information about St Wilfrid's Hospice please see <https://www.stwhospice.org/>

Clinical Supervisor(s) <i>This may be subject to change</i>	Dr Louise Free Dr David Barclay Dr Charlotte Harrison Dr David Matthews Dr Farida Malik

Specialty	Palliative Care – St Wilfrid’s Hospice
Grade	F2
Trust	East Sussex Healthcare NHS Trust
Site name and address (include trust name if different to employing trust)	St Wilfrid’s Hospice, 1 Broadwater Way, Eastbourne
Type of work to expect and learning opportunities	<p>Teaching Opportunities - Mandatory Grand Round: Mondays (1.00 - 2.00 pm) at EDGH Tuesdays (1.00 - 2.00 pm) at Conquest (link via MS Teams)</p> <p>Foundation Programme Core Topics: Mandatory FY2 Core teaching takes place every Wednesday, 1.00 – 2.00 pm at Eastbourne DGH (monthly workshops 2-5pm).</p> <p>Other: The Hospice provides a specific tutorial programme in house which is shared with St Michael’s Hospice and delivered weekly on Microsoft Teams.</p> <p>There is a joint doctors meeting between four Hospices in East Sussex quarterly which the FY2 doctor may get an opportunity to attend. Other multi-professional training events throughout year. Hospice based doctors will have also have experience with the Hospital SPCT as part of their training.</p> <p>10 Schwartz rounds a year in Hospice which FY2 doctors are actively encouraged to attend during their placement (attendance certificate for portfolio available).</p> <p>Self-development time - FY2 doctors should have two hours per week of non-clinical professional self-development time. This will include time for preparing for specialty application as well as developing skills in quality improvement and teaching.</p>
Main duties and further information about the placement	<p>Twice weekly consultant led multi-disciplinary ward round and supervision available at all times in general ward duties (admitting patients, assessing symptoms and updating management plans and actively being involved in communication with patients, families and professionals).</p> <p>The FY2 doctor is responsible with other members of clinical staff for the in-patient care of patients and communication of care including the maintenance of the patient’s electronic record and communicating with external professionals where indicated.</p> <p>There will be opportunity to work with the consultants or specialty doctors in outpatients’ clinics or in patient’s homes depending on individual development needs. There are many learning opportunities in this post both informally and formally and there is</p>

an expectation that the doctor attends all FY2 teaching at Eastbourne DGH as cover is arranged.

The doctor will be responsible for such other specific clinical duties as allocated by consultants including performing other duties in occasional emergencies and unforeseen circumstances.

Specific learning opportunities include managing symptoms e.g. nausea, vomiting, pain, breathlessness and anxiety. Assessing and managing non-physical aspects of illness – psycho-social and spiritual. Improved communication skills e.g., breaking bad news. Working within multi-professional team. Opportunities to develop skills in advance care planning with patients.

The overall educational objectives of the F2 year are:

Take a history and examine a patient

Identify and synthesise problems

Prescribe safely

Keep an accurate and relevant medical record

Manage time and clinical priorities effectively

Communicate effectively with patients, relative and colleagues

Use evidence, guidelines and audit to benefit patient care

Act in a professional manner at all times

Cope with ethical and legal issues which occur during the management of patients with general medical problems

Educate patients effectively

Become life-long learners and teachers

The clinical supervisors are happy to explore specific objectives based on individual doctor's needs.

A total of 2 hours per week personal development time will be incorporated into the doctor's timetable following discussion with each individual. There may be flexibility on when this can be taken (e.g., 2hrs each week, or 4hrs each fortnight) depending on the individual needs of the doctor. The Hospice as a voluntary organisation uses volunteers including a young clinical volunteer programme aimed at pre university young people looking for experience, the FY2 can take an active role in the support and mentoring of this group if of interest to the FY2.

For more information about St Wilfrid's Hospice please see <https://www.stwhospice.org/>

This will include time for preparing for specialty application as well as developing skills in quality improvement and teaching.</p>
Main duties and further information about the placement	<p>This is a FY2 community post based at St Marys House in Eastbourne BN21 3UU. This post will involve providing medical input to the team under the supervision of the Consultant Psychiatrist. There is a general expectation for the doctor to attend some of the Consultant's clinics at St Mary's House and at Newhaven. The post holder will also be on a full shift rota with out of hours coverage of either the psychiatric needs arising on the Eastbourne District General Hospital, including the Department of Psychiatry, or The Conquest Hospital including Woodlands centre for Acute Care. Out of hours support is provided by Senior Nurse Practitioners and Consultants on both sites as well as a middle grade tier in Eastbourne.</p> <p>The doctor will work within multidisciplinary teams consisting of a Consultant Psychiatrist (Dr Ahmad), a</p>

	nursing team, Community Psychiatric Nurses, Social Workers, Occupational Therapists and supporting staff including admin. The post therefore offers excellent opportunities to gain experience working in a multidisciplinary setting with colleagues from a number of different professional backgrounds.
Clinical Supervisor(s) <i>This may be subject to change</i>	Dr G Baginski

Typical working pattern in the placement

e.g ward round, clinics, theatre

	Monday	Tuesday	Wednesday	Thursday	Friday
a.m	TBA or special interest	Emergency clinic Shadowing consultant	Community meeting Supervision	Admin	Home Visits Shadowing consultant
p.m	Emergency Clinic Shadowing consultant	Out-patient Shadowing consultant	Academic Teaching	FY2 Core Teaching	Clinic in Newhaven Shadowing consultant

All doctors are required to present to the academic teaching on Wednesdays through presenting cases and research as per rota, which would be provided.

Doctor's will be expected to attend Foundation Year training unless they are presenting on the day to the psychiatric programme.

Weekly supervision will be provided.

Arrangements can be made for further special interest activity with the agreement of the clinical supervisor.

The post holder will also be on a full shift rota with out of hours coverage of either the psychiatric needs arising on the Eastbourne District General Hospital, including the Department of Psychiatry, or The Conquest Hospital including Woodlands centre for Acute Care. Out of hours support is provided by Senior Nurse Practitioners and Consultants on both sites as well as a middle grade tier in Eastbourne.

TRANSPORT IS ESSENTIAL - This post requires doctors to participate in an on call rota between Hastings and Eastbourne so having your own transport is essential.

All FY2s in Psychiatry placements can spend a day per week in the A&E department at the Conquest Hospital or half day at the EDGH or block in ITU. This is optional.

Clinical Supervisor(s) <i>This may be subject to change</i>	Dr Arun Doraiswamy

Typical working pattern in the placement

e.g ward round, clinics, theatre

	Monday	Tuesday	Wednesday	Thursday	Friday
a.m.	Handover Ward Work	Handover Ward Rounds	MDT meeting – 1:4 Physical Health Clinic - Abbey and Castle Ward	Handover Ward Work	Handover Ward Rounds
p.m.	Ward Work	MDT - Abbey Ward Supervision with Dr A Doraiswamy	Eastbourne Academic Programme	2-3pm F2 Teaching at Conquest Hospital Ward work	Ward Work

The post holder will also be on a full shift rota with out of hours coverage of either the psychiatric needs arising on the Eastbourne District General Hospital, including the Department of Psychiatry, or The Conquest Hospital including Woodlands Centre for Acute Care. Out of hours support is provided by Senior Nurse Practitioners and Consultants on both sites as well as a middle grade tier in Eastbourne.

TRANSPORT IS ESSENTIAL - This post requires doctors to participate in an on call rota between Hastings and Eastbourne so having your own transport is essential.

All FY2s in Psychiatry placements can spend a day per week in the A&E department at the Conquest Hospital or half day at the EDGH or block in ITU. This is optional.

****It is important to note that this description is a typical example of the placement and may be subject to change****

Specialty	Public Health (Lewes)
Grade	F2
Trust	East Sussex Healthcare NHS Trust
Site name and address (include trust name if different to employing trust)	East Sussex County Council County Hall, Lewes (mostly remote working – 1 day per week required to be in County Hall for team meetings, other days optional and dependent on other in-person meetings).
Type of work to expect and learning opportunities	Teaching Opportunities - Mandatory Grand Round: Mondays (1.00 - 2.00 pm) at EDGH - lunch at 12.30 pm Tuesdays (1.00 - 2.00 pm) at Conquest - lunch at 12.30 pm Foundation Programme Core Topics: Mandatory FY2 Core teaching takes place every Thursday, 2.00 – 3.00 pm at the Conquest Hospital and every Wednesday, 1.00 – 2.00 pm at Eastbourne DGH (monthly workshops 2-5pm). (FY2s will attend the site nearest to them) Other: Protected teaching at EDGH for FY1/2 and CMT doctors
Main duties and further information about the placement	During the placement FY2 doctors will gain experience across the three key domains of public health (health improvement, health protection and healthcare public health). The type of work carried out by the FY2 doctor will vary depending on time of year, workloads and programme timetables, as well as the individual interests of the FY2 doctors. Examples of types of work include the following, although this list is not exhaustive: <ul style="list-style-type: none"> • Audit, including equity audit • Literature and evidence reviews • Evaluations • One-off project work as part of wider public health programmes • Presentation, teaching and training • Work to address inequalities in health, health improvement and health protection. They will have the opportunity to work with consultants, health improvement specialists, public health intelligence specialists and other health and social care commissioners from a range of organisations. Represent public health on multi-agency groups and meetings relating to all areas of public health: health protection, health improvement and health services; undertake audits, evidence reviews and report writing. Liaise with primary and secondary care services on areas such as infection control. May include work on mental health, children's services and disease areas

	<p>such as cancer. There may be opportunities to attend community clinics.</p> <p>The placement will include a minimum of two hours per week of Self Development Time. This will include meetings with the Clinical Supervisor, shared learning sessions with the Speciality doctor/s in Public Health, time for learning reflection, time to develop an informal teaching session for a Lunch and Learn to deliver to the Public Health team (towards the end of the placement), reflective time and time to complete the required assessments, provision of study time for exams (as required) and time for exploring career opportunities.</p> <p>Due to Public Health work being largely desk-based and mostly remote, this placement will suit proactive, motivated individuals, who are used to working independently on projects. Support from Consultants and other colleagues is however easily accessible.</p>
<p>Clinical Supervisor(s) <i>This may be subject to change</i></p>	<p>Rob.tolfree@eastsussex.gov.uk</p>
<p>Typical working pattern in the placement e.g ward round, clinics, theatre</p>	<p>The teamwork in a hybrid way between working at home and the office in Lewes. It is expected that the FY2 doctor will attend the office once a week, for team meetings or other in-person meetings.</p> <p>Typical working is in the public health department undertaking desk-based research and analysis, out in settings doing data collection, and attending and contributing to multi-disciplinary meetings in a range of settings (or more likely on Microsoft Teams). Project partners include NHS Sussex, other ESCC departments, Office for Health Improvement and Disparities (OHID), UK Health Security Agency (UKHSA), other health, social care and community and voluntary sector partners. The primary base is County Hall, Lewes and hours are 09.00-17.00 apart from Wednesdays, which will be based at Eastbourne District General Hospital.</p> <p>Mon: 0900 – 1700 Tues: 09.00 – 1700 Wed: 09.00 – 1700 1300 - 1400 or 1400-1700 FY2 Core Teaching EDGH and Half Day Attachment (PM) Thurs: 0900 – 1700 Fri: 0900 – 1700</p> <p><i>On call requirements: No out of hours.</i></p>
