MEDWAY TRUST WELLBEING

You can contact the Health and Wellbeing Team who are available for support, advice and signposting.

Email: medwayft.yourwellbeing@nhs.net

TRAINING PROGRAMMES

Medway
NHS Foundation Trust

Supports delivery of evidence-based training across a range of specialities to junior doctors.

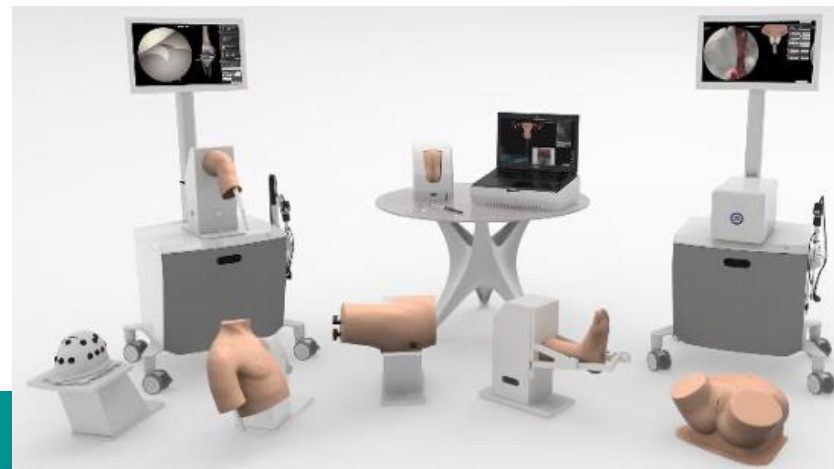

We offer:

- Undergraduate Programme
 - Kent and Medway Medical School (Year 3, 4 & 5)
 - Kings and Guy's Medical School (Year 4 & 5)
- **2 Year Foundation Programme**
 - **Bleep-free protected teaching** (curriculum based lectures) with lunch vouchers upon attendance
 - **Weekly Self-development time** to complete portfolio, undergraduate teaching, audit, research...
 - **Simulation Training** and **Human Factors**
 - **Study leave** (FY1 5 Tasters days ONLY)
- FY3 – Clinical Education Fellow
- Internal Medicine Training
- Core Surgical training
- ACCS
- 3 Year General Practice Vocational Training Scheme

SIMULATION

We provide simulation in two areas – the postgraduate centre and clinical areas.

Simulation Training and Human Factors - All foundation doctors attend a **mandatory** full day as part of their teaching curriculum.

DOCTOR'S MESS

- Social events are arranged by the Doctors Mess. The role of Mess President is usually held by a Foundation trainee and are encouraged to put themselves forward.
- £10 monthly subscription which is deducted from your monthly salary.
- Key features:
 1. Open access 24/7
 2. Comfortable sofas and Sky TV
 3. Air conditioned open space
 4. Kitchen with full appliances, fridge to store food/lunch
 5. Tea, coffee and snacks; stocked twice weekly
 6. Computers with access to the intranet, next to telephones all in a workspace.
 7. Safe space to discuss patients with colleagues
 8. Notice board to advertise information, social events or pass suggestions

Mess socials:

- Socials in Medway, Kent and London
- Socials joined with other Trust's from Kent
- Monthly/Payday Pizza
- Christmas Ball
- Summer Ball
- Regular bowling nights

INDUCTION / SHADOWING ARRANGEMENTS

Mandatory Induction – end of July

- International Medical Graduates
- All FY1 Doctors
 - Foundation Information, Prescribing Assessment Training
 - Resuscitation, Clinical IT Systems and Bloodtrack Training
 - Essential information, scenarios and facilities
 - Simway Hospital - Simulation Training scenarios
 - Shadowing FY1 Buddy on placement wards
 - Note: Additional shadowing can be arranged on request

PARKING ARRANGEMENTS

Dr's on a training programme under medical education have **guaranteed onsite parking** for the duration of their contract.

Parking permit applications will be included in your starter pack from HR Recruitment Services and payment will be deducted from your monthly salary.
