Princess Royal Hospital

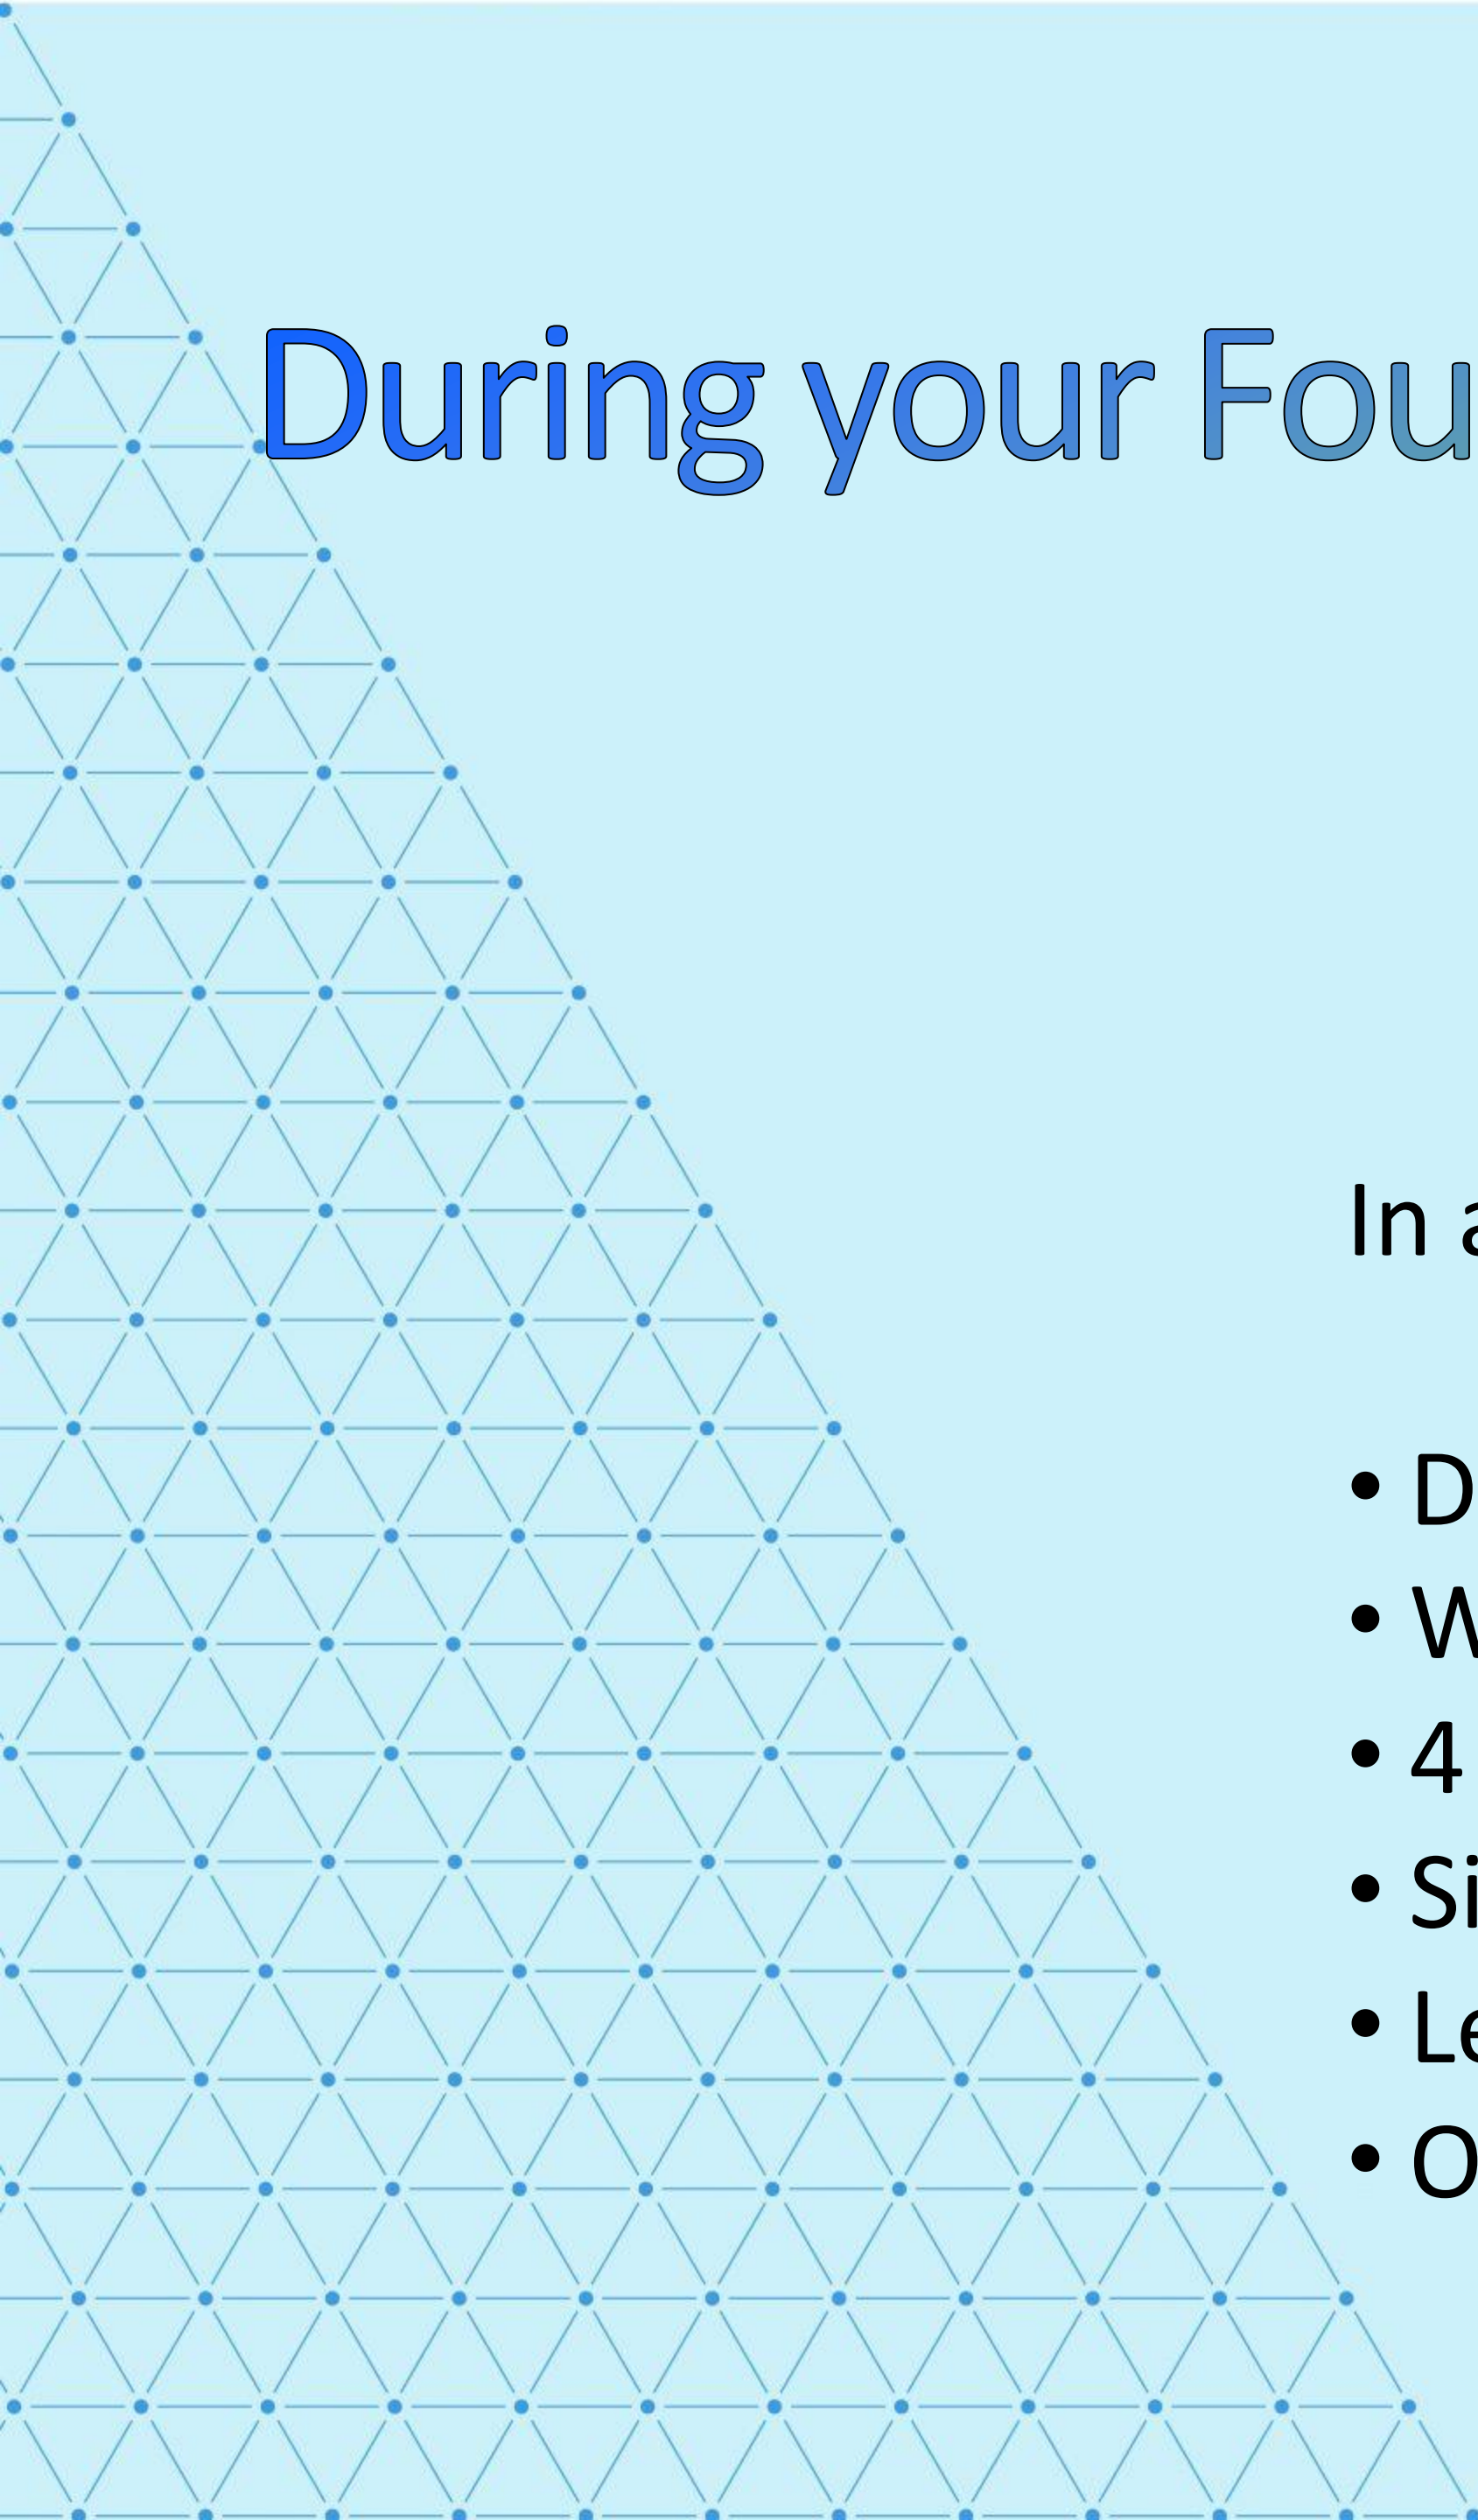

Induction

University Hospitals Sussex
NHS Foundation Trust

F1 trainees receive 6 days of face-face induction which includes clinical skills training, resus, plus 2 days of shadowing amongst other things.

A decorative graphic on the left side of the slide, consisting of a large triangle formed by a grid of small blue dots connected by thin lines, creating a mesh-like pattern.

During your Foundation Training

In addition to your clinical rota, you will also receive:

- Dedicated Foundation Team here to help and support you
- Weekly foundation teaching
- 4 Days of Personal Development Time (PDT) in each rotation
- Simulation Training
- Leadership opportunities – Trainee Representatives
- Online education platform
