

**Do you wish you could make the NHS  
more equitable?**

**Do you care about the environment and  
practicing more sustainably?**

**Maybe you want to learn more about  
patient centred care?**

**Then why dont you try:**

**enhance**

**This is a self guided programme to help improve  
your generalist skills. It is open to anyone who  
works for the NHS, but is particularly aimed at  
FY1s and FY2s.**

**Find out more here:**
