

TRAINEE MEDICAL OFFICER (DOCTOR) (TO JOIN US UPON COMPLETION OF FY2)

WHY JOIN THE RAF?

Subsidised food, travel, accommodation and free gym mean you get more money in your pocket.

Open for applications from
01 May to 31 Oct 2025,
to join Sep 2026 (post FY2).

HAVE YOU THOUGHT OF JOINING THE RAF AS A DOCTOR?

Did you know that you can now join us post FY2, as a Trainee Medical Officer and we can take you through your speciality training, as a full-time regular serving member of the RAF.

Once you join us, you will first complete a General Duties Medical Officer (GDMO) year, develop your medical skills with the RAF, build upon your foundation training, complete our Phase 1 Specialist Officer Initial Training Course (SOITC), and apply for speciality training places.

You will then complete your specialty training through to CCT. After CCT, you will use your skills to provide world class healthcare to our patients, wherever that may be.

ROTATIONS

Whilst EM or GP placements are preferable, they are not mandatory. We welcome applications from junior doctors that have not or will not complete these specific rotations.

SALARY

As a Trainee Medical Officer your salary will start from £85,100.

FIND OUT MORE

Our Specialist Recruitment Team, the MDRT, offer non-committal 'Find Out More' presentations for any candidates considering this role; Presentations are held online (MS Teams), and cover life in the RAF, the role, the recruitment and selection process and your commitment. You will also have the opportunity to ask any questions to a serving Medical Officer and member of the MDRT.

To Find Out More, contact the MDRT on the email address or telephone number below.
