## Public Health Training in KSS Recruitment & Buddy Scheme information Evening

**Applying to Public Health Specialty Training in Kent, Surrey and Sussex (KSS)**

**When: Thursday 11<sup>th</sup> September 2025 7pm – 8.30pm**

**Where: Microsoft Teams – invite to be sent on registration**

**Who is it for: Open to anyone interested in applying to Public Health Specialty Training in Kent Surrey and Sussex (KSS)**

**South East Buddy Scheme Information:** Within the KSS Public Health school we are committed to fostering diversity and inclusivity in all aspects of public health. As part of our ongoing efforts to create a workforce that reflects the diverse communities we serve, we have a recruitment buddy programme for applicants from Black or Asian backgrounds. This programme is aimed at individuals from Black or Asian backgrounds who live or work with KSS and would be applying for the Public Health training programme. The buddy programme aims to support applicants through the application process. We will have a limited number of places available on the buddy programme. Please see the 2025 application to the South East Buddy Scheme section of our website [HERE](#)

During the evening you will have the opportunity to:

- Gain insight into how public health training works within KSS and the range of roles available
- Learn about the process of applying for training in public health in the UK.
- Hear from registrars currently on the training programme.
- Ask any questions about the training programme or working within KSS.
- Learn about the South East Buddy Scheme, and how to apply.

If you would like to attend, please complete the registration form [HERE](#) and please specify any questions.

Please book your place by the 9<sup>th</sup> September 2025. If you have any queries please email; [england.ksspublichealthschool.se@nhs.net](mailto:england.ksspublichealthschool.se@nhs.net) with the subject line **KSS Public Health Recruitment Event**.

We look forward to working with you in the future – the KSS School of Public Health.
