It is important to note that this description is a typical example of the placement and may be subject to change

Specialty	General Psychiatry – Sussex Partnership NHS Foundation Trust
Grade	F1
Trust	East Sussex Healthcare NHS Trust
Site name and address (include trust name if different to employing trust)	General Psychiatry Assessment and Treatment Services Millwood, Uckfield Community Hospital, Framfield Road, Uckfield, East Sussex, TN22 5AW.
Type of work to expect and learning opportunities	<p>Teaching Opportunities - Mandatory Grand Round: Mondays (1.00 - 2.00 pm) at EDGH - lunch at 12.30 pm</p> <p>Tuesdays (1.00 - 2.00 pm) at Conquest - lunch at 12.30 pm</p> <p>Foundation Programme Core Topics: Mandatory FY2 Core teaching takes place every Wednesday, 1.00 – 2.00 pm at Eastbourne DGH and every Thursday, 2.00 – 3.00 pm at the Conquest Hospital (monthly workshops 2-5pm). (FY2s will attend the site nearest to them)</p> <p>Other:</p> <p>Leadership Programme - 4 - 5 half-day courses over the year</p> <p>SPT Wednesday Academic Programme – Foundation doctors are expected to present a case or critical appraisal to at least one meeting in their rotation' in Psychiatry.</p> <p><u>Self-development time</u> - FY2 doctors should have two hours per week of non-clinical professional self-development time. This will include time for preparing for specialty application as well as developing skills in quality improvement and teaching.</p>
Main duties and further information about the placement	<p>The trainee will be given Trust and Local inductions and after a period of shadowing with other members of the team, will be given the opportunities to work with mentally disordered individuals of working age (18-70) including outpatients clinics, crisis assessments, home visits, mental health act assessments and liaising with GPs under the supervision of a consultant psychiatrist. There will be weekly supervision from the consultant and attendance to the local academic meetings will be required with a possibility of giving presentations. Appropriate allowances for attending foundation year training and special interests will be made on an individual basis.</p> <p>This is an exciting opportunity to join a busy multidisciplinary team working with the full gamut of mental health problems, primarily in the community. You will join a team of Community Psychiatric nurses, Occupational Therapists, Psychologists, Support Workers, Administration Staff and Doctors.</p> <p>This new post is part of the recent expansion of the Foundation Programme with the addition of extra opportunities for community, integrated and psychiatric experience. As a result,</p>

	it is designed to allow the trainee to follow the patient through their whole care pathway, from Primary Care referral, first assessment, follow up in the community, admission in Mental Health Unit or care under Crisis Team to the point of transfer back to Primary Care, and have opportunities to liaise with or shadow non-NHS agency involvement, e.g., Social Services, Third Sector and Accommodation Providers.

****It is important to note that this description is a typical example of the placement and may be subject to change****

Specialty	Public Health (Lewes)
Grade	F2
Trust	East Sussex Healthcare NHS Trust
Site name and address (include trust name if different to employing trust)	East Sussex County Council County Hall, Lewes (mostly remote working – 1 day per week required to be in County Hall for team meetings, other days optional and dependent on other in-person meetings).
Type of work to expect and learning opportunities	<p>Teaching Opportunities - Mandatory Grand Round: Mondays (1.00 - 2.00 pm) at EDGH - lunch at 12.30 pm</p> <p>Tuesdays (1.00 - 2.00 pm) at Conquest - lunch at 12.30 pm</p> <p>Foundation Programme Core Topics: Mandatory FY2 Core teaching takes place every Thursday, 2.00 – 3.00 pm at the Conquest Hospital and every Wednesday, 1.00 – 2.00 pm at Eastbourne DGH (monthly workshops 2-5pm). (FY2s will attend the site nearest to them)</p> <p>Other: Protected teaching at EDGH for FY1/2 and CMT doctors</p>
Main duties and further information about the placement	<p>During the placement FY2 doctors will gain experience across the three key domains of public health (health improvement, health protection and healthcare public health).</p> <p>The type of work carried out by the FY2 doctor will vary depending on time of year, workloads and programme timetables, as well as the individual interests of the FY2 doctors. Examples of types of work include the following, although this list is not exhaustive:</p> <ul style="list-style-type: none"> • Audit, including equity audit • Literature and evidence reviews • Evaluations • One-off project work as part of wider public health programmes • Presentation, teaching and training • Work to address inequalities in health, health improvement and health protection. <p>They will have the opportunity to work with consultants, health improvement specialists, public health intelligence specialists and other health and social care commissioners from a range of organisations.</p> <p>Represent public health on multi-agency groups and meetings relating to all areas of public health: health protection, health improvement and health services; undertake audits, evidence reviews and report writing. Liaise with primary and secondary care services on areas such as infection control. May include work on mental health, children's services and disease areas such as cancer. There may be opportunities to attend community clinics.</p>

	<p>The placement will include a minimum of two hours per week of Self Development Time. This will include meetings with the Clinical Supervisor, shared learning sessions with the Speciality Trainee/s in Public Health, time for learning reflection, time to develop an informal teaching session for a Lunch and Learn to deliver to the Public Health team (towards the end of the placement), reflective time and time to complete the required assessments, provision of study time for exams (as required) and time for exploring career opportunities.</p> <p>Due to Public Health work being largely desk-based and mostly remote, this placement will suit proactive, motivated individuals, who are used to working independently on projects. Support from Consultants and other colleagues is however easily accessible.</p>
<p>Clinical Supervisor(s) <i>This may be subject to change</i></p>	<p>Rob.tolfree@eastsussex.gov.uk Anna.merla@eastsussex.gov.uk Ben.brown@eastsussex.gov.uk</p>
<p>Typical working pattern in the placement e.g ward round, clinics, theatre</p>	<p>The teamwork in a hybrid way between working at home and the office in Lewes. It is expected that the FY2 doctor will attend the office once a week, for team meetings or other in-person meetings.</p> <p>Typical working is in the public health department undertaking desk-based research and analysis, out in settings doing data collection, and attending and contributing to multi-disciplinary meetings in a range of settings (or more likely on Microsoft Teams). Project partners include NHS Sussex, other ESCC departments, Office for Health Improvement and Disparities (OHID), UK Health Security Agency (UKHSA), other health, social care and community and voluntary sector partners. The primary base is County Hall, Lewes and hours are 09.00-17.00 apart from Wednesdays, which will be based at Eastbourne District General Hospital.</p> <p>Mon: 0900 – 1700 Tues: 09.00 – 1700 Wed: 09.00 – 1700 1300 - 1400 or 1400-1700 FY2 Core Teaching EDGH and Half Day Attachment (PM) Thurs: 0900 – 1700 Fri: 0900 – 1700</p> <p><i>On call requirements:</i> No out of hours.</p>
